The fee schedule was adopted by the Land Board at their regular meeting March 27, 1998. Rent is based on the actual users in the facility. If there is more than one user, an additional amount will be assessed based on 75% of the primary rent for each additional user. Annual rental is calculated and a 180-day notice is mailed to the lessee by July 1st for each ensuing calendar year. Rental is adjusted annually based on the Consumer Price Index (CPI-U). The 2009 adjusted rate is based on the 2007 CPI-U of 2.9% as provided by the Idaho Economic Forecast and the State of Idaho, Division of Financial Management.
